2300 Block of Charles St
New Water Service Installation

ROCKFORD – Beginning Monday October 3, the Water Division will be installing a new water service to 2324 Charles St. Charles St will be reduced to one lane each direction between 21st St and St Louis St to all traffic. Left turns will not be allowed for east and west bound traffic on Charles St at the intersection of S Rockford/20th St.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to two to four (2-4) business day.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7153.
