Emergency Water Service Repair

ROCKFORD – Beginning Tuesday November 8, the Water Division will be making an emergency water service repair at 120 S 2nd St. The east left turn lane will be closed reducing the left turn lanes to one lane northbound.

Proper traffic controls and detours will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three (1-3) business days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7153.
