ARTERIAL/RESIDENTIAL SALTING OPERATION UPDATE

ROCKFORD –December 9 – At approximately 3:30 AM today, as city crews complete Arterial routes, they are moving into Residential Routes for salting.

Decisions about further deployment will be made, as needed, according to developing conditions.

Citizens are urged to follow at a safe distance behind snowplows. This will prevent the salt that is being spread from hitting your vehicle and the added distance also allows a driver room to back up if needed.

The Snow Emergency Declaration is still in effect and vehicles should be parked on the Odd # side of the street. The Odd/Even Parking will be in effect until the Public Works Department deems it is no longer necessary. The Odd/Even Parking is in effect so that the plows can safely go down the streets. The next day when parking changes to the other side of the street, the plows may or may not return to clear the other side.
