6. W-9 Request for Taxpayer Identification Number. Prior to issuance of a purchase order, the successful bidder will be required to supply the City of Rockford with a federal W-9 Request for Taxpayer Identification Number and Certification. Failure to comply with this requirement will be considered a violation of contract terms, for which the City may bar the vendor from bidding for a period of up to three years.

7. Legal Compliance. The vendor awarded this contract will comply with all Federal, State, County, and City laws, ordinances, rules and regulations, which in any manner affect the product or service placed for bid herein. Lack of knowledge on the part of the awarded vendor of applicable law will in no way be cause for release of this obligation. If the City becomes aware of violation of any laws, ordinances, rules and regulations on the part of the awarded vendor, it reserves the right to reject any bid, cancel any contract, and pursue any other legal remedies deemed necessary.

8. Legal Requirements. This contract sets forth the entire final agreement between the City of Rockford and the bidder and shall govern the respective duties and obligations of the parties. Criminal background checks, at a minimum, shall consist of a county level felony and misdemeanor check for each county in which the personnel resided in the last 10 years. The awarded vendor shall notify the City of any of its personnel who have been convicted of a felony or misdemeanor prior to commencing any work under this contract. With respect to the awarded vendor's own work, the City shall not have contractual, operational, and/or supervisory control over and/or charge of the work and shall not be responsible for construction means, methods, techniques, sequences, procedures, and programs in connection with the awarded vendor's work, since these are solely the vendor's responsibility under the agreement. The City shall not be responsible for the awarded vendor's failure to carry out the work in accordance with the agreement's terms and conditions. In the event of default, the City may purchase the product(s) and/or service(s) from other sources and hold the defaulting company responsible for any excess costs occasioned thereby. The City may require payment of liquidated damages for non-performance. Should default be due to failure to perform or because of a request for a price increase, the City reserves the right to remove the firm from the City's bidder list for a period of up to three years.

22. Disputes. In case of disputes as to whether or not an item or service quoted or delivered meets specifications, the decision of the Central Services Manager, or authorized representative shall be final and binding to all parties. The Central Services Manager has the right to waive technicalities as they see fit. The Central Services Manager may request a written recommendation from the head of the department using the equipment or service being procured.

23. Exceptions. Any deviations from these specifications shall be noted and submitted with the bid. Failure to address deviations from specifications may result in bid rejection.

24. Acceptance/Rejection of Bids. The City of Rockford reserves the right to accept or reject any or all bids or proposals at any time, for any reason, including but not limited to the Rockford City Council not appropriating

sufficient funds to purchase equipment or complete the contract. The City may make awards in any manner deemed in the best interest of the City.

Squad and Unmarked Cars
Bid No.: 412-P-042

1.0 General Scope

1.1 The City of Rockford intends to purchase twenty eight (28) 2012 Chevrolet 9C1 Patrol Caprice PPV for the Police Department and eighteen (18) 2012 Chevrolet Impala Police Pursuit Interceptor for the Police and Fire Departments. The awarded bidder should also provide maintenance and repair services for a period of five years from the delivery date.

2.0 General Requirements

2.1 Vendor Qualifications. No contract shall be awarded except to responsible firms capable of providing the class of product described. Eligible bidders include all automobile dealers capable of meeting specifications detailed herein. Before being considered for award, firms may be required to show evidence of the necessary experience, facilities, equipment, ability, and financial resources to perform the work in a satisfactory manner and within the time stipulated.

2.2 Basis of Award. The contract will be awarded to the lowest responsible and responsive bidder for each vehicle specified. The City reserves the right to request any information necessary to determine a vendor's ability to provide the desired product. This may include standard specification information, references from other clients, and a site visit to preview vehicles. If these information requests are denied, the City reserves the right to reject the bid.

2.3 Stated Delivery Date. Bidders are asked to supply a delivery date on the bid form. This date is a contractual obligation of the vendor and a plea that insufficient time was specified is not a valid reason for failure to meet the stated delivery date. Only when a delay occurs due to unforeseen causes beyond the control and without fault or negligence of the vendor may the delivery date be extended. The City shall be the sole judge as to whether the delivery date shall be extended.

2.3.1 Request for delivery date extension. No extension of time due to a delay caused by unforeseen circumstances shall be granted unless the vendor submitted in writing the reasons, which are believed to justify approval of an extension request. A written request for extension may not be made after the specified delivery date. After the vendor has filed a request for an extension of time the City will notify the vendor, in writing, whether or not such extension will be approved. If approved, the extended date for the delivery of the equipment shall then be considered, as in effect, the same as if it were the original date for delivery of the equipment.

2.3.2 Liquidated damages. Should the vendor fail to deliver the equipment, on or before the stated delivery date, the vendor shall be liable to the City in the amount of $30.00 per calendar day, not as a penalty but as liquidated damages, for each day of overrun in the delivery time or such extended time as may have been allowed. The daily $30.00 charge shall be made for every calendar day shown, on the calendar beyond the specified delivery date and these liquidated damages shall be deducted from the amount due to the vendor.

2.4 Bid Form. Included at the end of these specifications is a bid form for all vehicles. The following information is required on the bid form:

2.4.1 Bid price. Bidders shall supply the total cost of each specified vehicle delivered to the City of Rockford. No adjustments to the bid price will be allowed after the bid opening.

2.4.2 Prepayment discounts. Prepayment discounts shall not be included in the bid price but shall be clearly marked in the space provided.

2.4.3 Delivery date. Bidders shall specify delivery time in terms of elapsed days from date of contract award.

2.4.4 Warranty. A minimum (3) three-year/36,000 mile warranty covering parts and labor is required on the specified vehicle.

2.4.5 Technical data. Bidders must submit manufacturer specifications and relevant literature.

2.5 License. The successful bidder shall obtain the correct and current license plate and title for all vehicles. License plates should be government municipal police (MP) plates, which are common with a vehicle of this type for municipality use. Standard is defined as a plate with a random identification number on the plate.

2.6 Maintenance. The successful bidder shall provide full maintenance and repair services for the vehicles for a period of five years from the date of delivery. All scheduled preventative maintenance shall be performed for a flat fee as outlined on the bid form.

2.7 Delivery Items. Vehicles shall be delivered with a full tank of gas. All vehicles must be "dealer prep", which includes interior and exterior cleaning to an acceptable level, before the City will accept delivery.

2.8 Order Option. Bidders have the option to order this vehicle if they do not have one in stock. Delivery date must be provided to the City along with the vendor's bid prior to award of contract. Expected cut-off date for ordering the Caprice is May 1, 2012.

2.9 Hybrid Vehicle Option. All vendors may supply bids for alternative fuel or hybrid vehicles that are comparable to the vehicles listed in this bid package, in addition to the bids they are furnishing for the standard fuel vehicles listed in this bid specification.

2.10 Contact Person. All questions regarding these specifications are to be directed to Anne Wilkerson, Financial Analyst, at (815) 987-5741 or anne.wilkerson@rockfordil.gov.
