**CITY OF ROCKFORD HUMAN SERVICES
WEATHERIZATION PROGRAM**

DAVIS-BACON WAGES

State: Illinois

Decision #: 2009-IL-001

Description of Work: Weatherization construction on existing residential structures to include minor repairs, batt insulation, blown insulation, window and door repair, and weather stripping, solar film installation, air sealing, caulking, minor or incidental structural repairs, duct sealing, air sealing, installation of light bulbs, and installation of smoke detectors. This also includes (1) the replacement of doors and windows and the repair; (2) the installation of hot water heaters and the installation and repair of furnace/cooling (HVAC) systems and all associated work involved with the installation of the HVAC system including electrical, pipe, and duct work.

The following is a key to the county chart below. The first figure in each classification column is the hourly rate and the rate following the "+" is the fringe benefit rate.

Any unlisted classifications needed for work not included within the scope of the classifications listed below may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).
