Frequently Asked Questions

Q: What is Homebuyer Assistance?

A: Homebuyer Assistance is a forgivable mortgage loan provided to the homebuyer at the time of purchase. The assistance should ultimately reduce the first mortgage loan amount the homebuyer obtains from a 1st mortgage lender of their choice.

Q: What is a forgivable mortgage loan?

A: The longer you stay in your home the less you need to pay back. If you stay in your home for five (5) years and follow the terms of the loan, your loan balance is reduced to ZERO and you owe nothing!

Q: What is household income and how does the City figure out what my household income is?

A: Household income is the combined gross income of everyone that will be living in the home over the age of 18, projected out over the next year. Take your gross monthly income as it is today and multiply it by 12.

Q: What is household size?

A: Household size is the total number of people living in the home, regardless of age and relationship to the homeowner.
