SPECIAL PLOWING INSTRUCTIONS - 2015/2016

RT #	Section	LOCATION	INSTRUCTIONS	YR ADDED
1	C	Stevens Ridge Subdivision - Sts. Include Stevens Ridge, Joseph Ln, Austin Ave.	In past years we have not plowed as surface lift has not been applied to Sts. Raised manholes; use caution when plowing. Manholes not ramped. Had to make exception due to issues with developer. Maps have not been corrected to reflect this.	2012/2013
1	C	W Riverside Service Road	3100 - 3500 - full service road, and culdesac at west end, and don't forget the exit out to Riverside Blvd at the west end.	2012/2013
1	D	5179/5180 Elmgate Dr	Culdesac has odd shape - road looks like it would be straight all the way to the end but it flares. (see pic) Make sure not to back into driveways when turning around - Plow all the way thru the culdesac.	2013/2014
2	D	Furman & Bluefield N. of Auburn St.	These dead ends often get missed as they are the only 2 St. that run north of Auburn between Kilburn & Central.	2012/2013
4	B	Rt. 4 B - Alley behind 306 Forest Ave	Plow N/S alley between Forest & Hinkley - runs from Mulberry to Andrews.	2012/2013
5	B	1227 Garrison (700 Reynolds)	Be careful not to fill in the driveway at the end of this block.	2015
5	C	Rt 5 C - Blinn & Lapp Cts.	Narrow streets, try to distribute snow equally to both sides of street.	2012/2013
6	A	Davis Park	Only plow the orange lined road around Davis Park, Please stay out of Davis Park, and do not pile snow in front of gate.	2013/2014
7	A	5133 Kelley Rd	Please don't stage in front of property with trailers, & equipment.	2013/2014
7	C	Dead end of Rose Ave. S. of Ogilby Rd.	Dogleg that runs back to the west at the dead end usually isn't plowed (looks more like a driveway). Please make sure we get this. It does appear on the map.	2012/2013
8	A	Rt. 8 A - Stoneridge	At the top of the hill where Stoneridge turns left there is a narrow paved cut thru that runs east to Willow Ln. Please plow the cut through but not Willow Ln. Also, there is a driveway entrance at the top of the hill that gets excessive snow when the plow unloads as the drivers turn west. Please clear the windrow from in front of this drive.	2012/2013
8	A	Valmark Terrace	Culdesac west off Driftwood Ln, north of Spring Creek. Routinely missed.	2012/2013
8	A	Bradley Rd Bubble	Just southwest of Boscobel Ct. Has island in it.	2013/2014
8	B	Norwood Dr	Doglegs north off Landstrom	2014/2015
8	C	Gina Terrace	Culdesac w/Island & Hill -	2012/2013
8	D	Berkshire Close	West off Alpine, 1 road north of Spring Creek, uphill, culdesac	2012/2013
9	C	5864 Creekside Ln	Please don't plow up Hanford Dr across Creekside into the end of his driveway.	2015
9	D	Grenoble Ct	North off Innsbruck, fairly long culdesac	2012/2013
10	C	Tanglewood	Runs north from Spring Creek, culdesac at north end with island in the middle. Island has big rocks around the edges.	2012/2013

SPECIAL PLOWING INSTRUCTIONS - 2015/2016

RT #	Section	LOCATION	INSTRUCTIONS	YR ADDED
10	D	Moraga Way - Runs between Palo Verde & Trainer	Have drivers make first pass southbound from Palo Verde to Trainer. Then do northbound side. Snow must be pushed back to curb.	2012/2013
11	A	Jacoby Place	Be sure to clear around island in triangle, and as close as possible to curb all the way to the dead end.	2013/2014
11	ABCD	Rt. 11 ABCD - Bubbles, Circles, & Cul-de-Sacs	In general, these areas have been neglected in the past. Streets to include - Brown Hills Ct. (11D), Princeton & Oaklawn roundabouts (11B), Highview Ct. & Parkwood south of Lundvall (bubble), Lundvall north of Guilford (bubble)(11C), Arden Ct., Gorham Pl., Barrington Rd. (bubbles), Villawood Cir., Alpine Ct. (11A)	2012/2013
12	B	Service Rd; Runs north off Garrett Ln on west side of Mulford.	This routinely is missed by plow drivers. Doesn't show on map.	2012/2013
13	A	Cloverdale	Be sure to plow the dead end of Cloverdale east of Castlehill.	2012/2013
13	B	Royal Troon area	Roads are on residential maps ar DO NOT PLOW - We actually DO plow to the red diamond signs. I'll adjust route maps, but added this special plow map as well.	2013/2014
13	B	Rubicon Trail	East of University - little stub is frequently missed.	2013/2014
13	B	Sanctuary Circle	Be sure not to bury driveways at the circle - there are several driveways that open up to the circle and this has been an issue in the past	2015
13	C	1305, 1345 & 1353 Thoren Ln	Circle bubble on east side of Thoren Ln, just north of Guilford. Has island in the middle, be sure to plow around island. This frequently gets missed.	2012/2013
13	D	Carrington Chase Subdivision	Has 3 bubbles that may not be obvious. Entire subdivision requires a high level of care.	2015
