CITY OF ROCKFORD, ILLINOIS—BIDDING GENERAL CONDITIONS

1. Pricing. The bidder shall insert price for all bid items and all other information requested in these specifications. The price shall be the *full, delivered cost* to the City of Rockford with no additions.

2. Total versus "Per Item" Awards. The City generally awards contracts based on a lump sum basis to the lowest responsible and responsive bidder. However, the City may choose to award on a per item basis. Therefore, each bidder must submit pricing for each item indicated on the bid forms. Bidders must clearly indicate which items are bid and which are not.

3. Delivery of Merchandise. Delivery terms will always be Freight On Board (FOB)–Destination. The City of Rockford accepts no responsibility for the condition of any merchandise purchased prior to acceptance by City Personnel. Failure to comply with this requirement may constitute rejection of the bid.

4. Acceptance of Merchandise at Delivery. The City of Rockford reserves the right to refuse acceptance of delivered merchandise that differs substantially from the specifications in this invitation to bid or as otherwise permitted by Illinois law.

5. Prompt Payment Act. The City of Rockford intends to comply with the governmental prompt payment act. The awarded vendor will be paid upon submission of invoices to: City of Rockford Accounts Payable, 425 East State Street, Rockford, IL 61104.

6. W-9 Request for Taxpayer Identification Number. Prior to issuance of a purchase order, the successful bidder will be required to supply the City of Rockford with a federal W-9 Request for Taxpayer Identification Number and Certification. Failure to comply with this requirement will be considered a violation of contract terms, for which the City may bar the vendor from bidding for a period of up to three years.

7. Legal Compliance. The vendor awarded this contract will comply with all Federal, State, County, and City laws, ordinances, rules and regulations, which in any manner affect the product or service placed for bid herein. Lack of knowledge on the part of the awarded vendor of applicable law will in no way be cause for release of this obligation. If the City becomes aware of violation of any laws, ordinances, rules and regulations on the part of the awarded vendor, it reserves the right to reject any bid, cancel any contract, and pursue any other legal remedies deemed necessary.

8. Legal Requirements. This contract sets forth the entire final agreement between the City of Rockford and the bidder and shall govern the respective duties and obligations of the parties. The validity of this contract, and any disputes arising from the contract, shall be governed by the laws of the State of Illinois. Criminal background checks, at a minimum, shall consist of a county level felony and misdemeanor check for each county in which the personnel resided in the last 10 years. The awarded vendor shall notify the City of any of its personnel who have been convicted of a felony or misdemeanor prior to commencing any work under this contract. Once given notice that a background check(s) will be required, it must be completed within 14 calendar days so as to not delay work to be completed.

11. Control of the Work. With respect to the awarded vendor's own work, the City shall not have contractual, operational, and/or supervisory control over and/or charge of the work and shall not be responsible for construction means, methods, techniques, sequences, procedures, and programs in connection with the awarded vendor's work, since these are solely the vendor's responsibility under the agreement. The City shall not be responsible for the awarded vendor's failure to carry out the work in accordance with the agreement's terms and conditions. The City shall not have control over and/or charge of acts or omissions of the awarded vendor, its subcontractors, and/or their agents or employees, or any other person performing portions of the work not directly employed by the awarded vendor. In the event of default, the City may purchase the product(s) and/or service(s) from other sources and hold the defaulting company responsible for any excess costs occasioned thereby. The City may require payment of liquidated damages for non-performance. Should default be due to failure to perform or because of a request for a price increase, the City reserves the right to remove the firm from the City's bidder list for a period of up to three years.

18. Late Bids and Proposals. Regardless of cause, late bids and proposals will not be accepted and will automatically be disqualified from further consideration. In the event a contract term is not defined within the contract document, the term will be given its ordinary dictionary definition.

The notification should include the bid number, the name of the firm protesting, and the reason why the firm is protesting the bid. The Central Services Manager has the right to waive technicalities as they see fit. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at *www.ssa.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: *spam@uce.gov* or contact them at *www.ftc.gov/idtheft* or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. 3.0 Specific Requirements

3.1 Context for the Project

The United States Environmental Protection Agency (U.S. EPA) has awarded the City of Rockford, Illinois (the City) a Brownfieds Assessment Grant for the assessment of brownfield properties throughout the City for the 2015-2018 Grant period. The grant includes $200,000 for the assessment of sites suspected of contamination by non-petroleum hazardous substances.

3.2 Specific Brownfield Areas

The City of Rockford will focus its Brownfields Assessment Program within a total of eight (8) Brownfield Clusters. These Brownfield Clusters are as follows:

1) The Preston Street Corridor, 220 acres, is an industrial corridor that is primarily located between Preston Street and the Union Pacific Rail line following Kent Creek (south branch) west from the Rock River for almost 2 miles in Census Tracts 25 and 26. Abandoned factories include Twin Disc as well as the former JI Case Plant and several smaller industrial plants. Known and suspected soil and groundwater contaminants include chromium and chlorinated solvents. Except for approximately 50% of the former JI Case Plant there have been no environmental assessments or cleanups performed.

2) The Southeast Rail Corridors/Industrial Belt, 1400 acres**,** includes several different types of Brownfield sites along the former Milwaukee Road, Chicago Burlington and Quincy, Chicago Northwestern and Illinois Central main lines and industrial belt lines. Although not the earliest industrial are, this area had extensive industrial development during the 1855-1960 time period. This corridor includes several former furniture manufacturers, foundries, paint manufacturers, metal plating and recycling yards**.** It follows Keith Creek to the Rock River for about 1mile.The original Testor's manufacturing plant as well as Rockford National Furniture is found here. Census Tracts 10, 12 and 21 are included in this Brownfield Cluster. Suspected contaminants include

lead, chlorinated solvents, and chromium. There have been a limited number of environmental assessments performed in this area to this point.

3) The Barber Colman Village, 100 acres**,** includes metal plating sites, steel fabricating and foundries. This site is located in Census Tract 28. Suspected contaminants include chromium, lead, and chlorinated solvents. This area includes the former Barber Colman complex and several surrounding manufacturing sites, many adjacent to the Rock River. The 15 acre Barber Colman Complex itself has been fully assessed with Cleanup 90% complete, but the larger surrounding area has not been assessed. A desktop Phase I performed during 2005 indicated that every tract of land in this area is suspected of soil and/or groundwater contamination. Heavy truck repair and metal plating are known to have taken place. Chlorinated solvents, lead and chromium are the suspected contaminants.

4) The South Main Rail Yards is a 54 acre site adjacent to Kent Creek, of which 5 acres have been fully assessed and cleanup is currently taking place. The other 49 acres include the former Eclipse Manufacturing site, Roper Gas Furnaces and several other manufacturing operations that once had direct rail access. There is known contamination, in the groundwater, of chlorinated solvents and suspected contamination of chromium and lead. This site is located in Census Tract 27 and 28 immediately south of Downtown and north of the South Main Business District.

5) South Main Street Water Power District / South Downtown, 29 acres**,** is Rockford's oldest industrial area and currently is 50% Brownfield sites and 50% active manufacturing by one company, WA Whitney. This site is adjacent to the Rock River and located immediately east of the South Main Rail Yards in Census Tract 28, and it has the same suspected contaminants.

6) The Northwest Rail/Auburn St. Industrial Area, is a 480 acre industrial corridor with several industrial sites along the former Milwaukee Road Rail line and its rail spurs. Vacant industrial sites include a lumber yard, automotive parts manufacturing, a defense plant that made ammunition and later electrical wire. Contaminants expected in this area include chlorinated solvents, lead and chromium. This line follows Kent Creek (north branch) through part of Rockford

7) The Ingersoll/Watch Factory area is located immediately south of Downtown along the east bank of the Rock River. This area is approximately 30 acres in size, with 5 acres being fully assessed and cleanup nearing completion. Assessment and cleanup have recently taken place at the 15 acre former Com Ed power plant/transformer yard. Completing assessment and cleanup of remaining sites is critical to the success of the Indoor Sports Center being developed at the former Ingersoll site. Suspected contaminants include petroleum, chlorinated solvents and PCB's.

8) North Madison Street Area, 40 acres**,** is an old industrial area along the rail lines heading north along the Rock River and included chemical processing and other manufacturing activities. There are a variety of hazardous substances that could be found.

It is important to note that each of these Brownfield areas, though not entirely consisting of Brownfield sites, has potential impacts to the Rock River or its major tributaries, Kent Creek and Keith Creek.

3.3 Consultant Identification of Priority Sites. The City wishes to identify all firms interested in this project and then shorten that list of firms down to three (3) highly qualified consultants that will be capable of performing the environmental assessments and related work. This RFP is intended as the means to identify those consultants, who will then be interviewed before selection.

Each Proposal is required to contain the identification of one site within each of the eight Brownfield Clusters that the Consultant feels would be the first priority site for Environmental Assessment and Cleanup in the area. A narrative is required that explains why each these sites was selected.

3.4 Project Scope

Once a Consultant is selected, the Project's central focus will be to provide the City of Rockford with detailed Brownfields Assessment reports for numerous sites selected from among the eight areas. Upon completion of these efforts, the City will take the necessary steps for Brownfield cleanup and/or further assessment. The City currently has very limited brownfield information for most of these areas.

Task 1: Site Prioritization & Eligibility Determinations

The City has identified eight Brownfield Clusters as part of this grant application. A listing of the potential Brownfield properties within each of these eight areas will be compiled by City Staff through the use of Winnebago County's Geographic Information System (WINGIS). This is information that is fully assessable by City staff. Funds are not needed to identify sites. Our intent is to utilize the grant funds within this Task to prioritize the sites. The Brownfields Redevelopment Advisory Committee (BRAC), which has been dormant for a few years, will be reformed and begin meeting during late 2015 and will include the Aldermen representing each of these eight (8) Brownfields Clusters as well as area stakeholders and representative from the targeted Community. The Consultant will provide valuable information about the potential sites at these BRAC meetings This Committee will provide valuable insight in the prioritization of these sites and will take their recommendations to the Public in a series of Public Meetings. Once the sites have been selected and prioritized, the eligibility determination information will be gathered by the Consultant and submitted to USEPA for review. In the case of commingling of hazardous substances with petroleum, the Illinois EPA will be included. A Bus Tour, will be a major element of site identification / selection/prioritization. The output of this process will be a prioritized list of sites for further investigation.

Task 2: Conduct Phase I Site Assessments – Individual Sites

Once sites are prioritized, eligibility determinations are in place, The Consultant will perform Phase I Environmental Site Assessments (ESAs) will be conducted using the new ASTM E1527-13 standard. All Phase I ESAs will be prepared in accordance with this ASTM standard, which has been approved by USEPA as demonstrating that the All Appropriate Inquiry has been

conducted. The City anticipates conducting ten (10) to twelve (12) Phase I assessments with the Hazardous Substance Funds at an average cost of $3,000 per site. The Output will be 10 Phase I's prior to City site acquisition.

Task 3: Phase II Environmental Site Assessments

The City anticipates the Consultant will conduct six (6) Phase II ESAs with the Hazardous Substance funds based on the results of the Phase I ESAs. The Phase II ESAs will be the primary focus of this Assessment Grant with over $100,000 programmed in the Budget Table. The number of assessments conducted will, in part, depend upon the size of the selected properties and the nature and extent of the contamination involved. The three (3) following items must be completed by our contracted Brownfields consultant(s) prior to commencing with any Phase II ESA activities. First the contracted consultant must prepare and receive approval from EPA of a Quality Assurance Project Plan (QAPP), Health & Safety Plan (HASP), and the site-specific Sampling and Analysis Plan (SAP). The Phase II ESAs will be compliant with Illinois EPA Site Remediation Program (SRP) and ASTM standards. The costs of Phase II ESAs vary widely and tend to be more costly at hazardous substance sites than at petroleum only sites. Costs vary due to the size of the site and the contaminants being evaluated. As part of the SRP, many hazardous substance sites are enrolled as a "Comprehensive" site which require analyzing for 122 compounds and results in significant laboratory costs compared to "Focused" sites. Overall Phase II ESA costs can range from $15,000 to $65,000 per Comprehensive site and $7,500 to $45,000 per Focused site. We have found that sites investigated as "Comprehensive", while expensive, best position the sites for redevelopment. Sites where contamination is found will then be enrolled into the Illinois EPA Site Remediation Program (SRP). Our intent would be to prepare the enrollment application and take the results of the Phase II ESA work and present that information in the form of a Work Plan with the application. The Work Plan will detail the investigative activities needed to define the lateral and vertical extent of the discovered contamination. It is important to note that some of the Phase II ESA's will stem from Phase I's conducted under the previous Assessment Grant. It should also be noted that Green Site Investigation and Cleanup Techniques derived from the ASTM E2893-13 (Standard Guide for Green Cleanups) will be encouraged. The Output will be 6 Phase II ESA's and enrolment of these sites in the IEPA Site Remediation Program.

Task 4: Prepare Remedial Action Plans (Cleanup Plans)

Following the SRP enrollment (budgeted in this task) and the completion of the Site Investigation step as part of the SRP process, Remedial Objectives/Remedial Action Plans (ROR/RAP) will be prepared by the Consultant. We intend to prepare plans for the six (6) Phase II ESA properties, based on the number of sites requiring cleanup and the amount of funding remaining once we get to this step. This task also includes paying for IEPA project management fees for regulatory review and approval of plans submitted to the IEPA for review under the SRP. The IEPA voluntary cleanup programs are fee-for-service programs. Since all sites for which Phase II ESAs are conducted will be enrolled in the IEPA programs, oversight fees will accumulate beginning with the review of the proposed Phase II Assessment work plan. It should be noted that the City may select one or more sites requiring Cleanup for the Illinois EPA River Edge Program (if reinstated) if these sites are high priority and located within the River Edge Zone. The Output will be 6 Remedial Action Plans.

Task 5: Community Involvement

The objective of this task is to inform the community as a whole and the communities in the Brownfields Targeted Areas of: a) the City's intent to conduct environmental assessment activities; b) community input concerning the priorities for assessment activities and future redevelopment; c) the assessment results; and d) cleanup plans and redevelopment efforts. Supplies will include display boards, informational brochures and large prints. This Community Involvement is documented in detail in Section 3 Community Engagements and Partnerships and will include the BRAC. The Output will be a total of 12 Public Meetings per year for site selection, assessment results, cleanup plans and cleanups in process.

Task 6: Programmatic Activities

As part of the grant process, the City will utilize City staff to prepare all quarterly grant reports, the semi-annual MBE/WBE reports and the annual financial reports. We also intend to have 2 City staff attend 2 national Brownfields conferences including related travel, lodging and expenses.
