

1. Adopted by reference (and added as new appendices)

- ▶ Appendix B: New Tax Increment Finance districts (TIFs) added;
- ▶ Appendix J: RATS Year 2035 Long-Range Transportation Plan (replaces their 2025 version);
- ▶ Appendix P: Strategic Revitalization Plan for North Main and Auburn Business District (prepared by Teska and Associates; approved by City Council in 2005);
- ▶ Appendix Q: South Rockford Target Plan (prepared for the City by SWIFTT);
- ▶ Appendix R: Envision North Main Corridor Plan (prepared by Hitchcock Design Group; approved by City Council in 2007);
- ▶ Appendix S: HOPE VI Neighborhood Plan (completed in 2008); and
- ▶ Appendix T: College-Seminary Neighborhood Plan (completed in 2008).

2. Additional text

- ▶ Table showing planned land use by category added at the front of the map section (not done in the original due to lack of GIS capabilities at the time);
- ▶ Economic development initiatives/strategies
 - i) River Edge Redevelopment Zone
 - ii) RAEDC (original contains text on Council of 100)
 - iii) Additional TIF districts (will have map only for each of the dozen or so that have been added)
- ▶ Neighborhoods – added references to two neighborhood plans completed in 2008

3. Maps – primary reasons for proposed changes

- ▶ Bringing our map into conformance with the Springfield Corridor Plan (already adopted by the City);
- ▶ New sanitary sewer extensions; and
- ▶ New public uses (primarily the County's Justice Center and the new federal courthouse).
