2011 CRACK SEALING PROGRAM

Rockford – Effective October 19th, 2011

Contractors will be crack sealing various streets throughout the city during the week of October 24th and throughout the remainder of the fall. Crack sealing work is a preventative maintenance work item intended to extend the lifespan of existing roadways.

No complete road closures in conjunction with the crack sealing program are anticipated at this time.

Questions regarding the above project should be directed to Colin Simpson in the Public Works Department at (815) 987-5579.
