City Wide Alley Reconstruction Program

During the week of July 11th, various alleys throughout the city will be under continued construction. Reconstructed alleys will be rebuilt with new concrete pavement, aprons, and improved drainage where possible. Construction on each individual alley is anticipated to take approximately two weeks to complete. Residents will be notified when construction begins to remove their cars from the alley so concrete can be placed. There will be a 7 to 14 day period when residents cannot drive on the alley while the concrete cures. Construction will be completed by Mid-Summer.
