MESSAGE

In anticipation of warmer weather and summertime activities, the Rockford Police Department will be conducting a series of DUI details. The officers will be patrolling areas traditionally known for high alcohol related activities. The Rockford Police are able to hold these traffic details due to grant funding by the Illinois Department of Transportation.

The Illinois Department of Transportation has provided a “Sustained Traffic Enforcement Program” grant to Rockford for the 2010-2011 year. The purpose of this grant is to reduce the number of injuries and fatalities sustained in traffic crashes caused by impaired drivers.
