October 21, 2013

I'd like to invite you to a 14th Ward Meeting on:

Wednesday, 10/30
6:00-7:00 p.m.
Alpine Lutheran Church, 5001 Forest View Avenue

This will be my first chance to address you as a group, let you know more about myself, what has been happening at City Council, and a bit of what we anticipate in the future.

I've also arranged for the following speakers to provide some timely tips for you:

- Tim Hanson, Director of the City of Rockford Public Works Department, will tell us about area projects and snow and ice procedures. Colder weather is coming soon, so let's be prepared.
- Todd Cagnoni, Director of the City of Rockford Community and Economic Development Department, will explain what the department does, detail programs applicable to the 14th ward, and explain how to report violations.
- A representative from the City of Rockford Police Department will provide general crime prevention strategies, especially those that relate to weather and time of year challenges.

I look forward to seeing you at these meetings. As always, please contact me with any thoughts, questions or concerns at 815-721-2014, or at Joseph.Chiarelli@rockfordil.gov.

Regards,

Joseph V. Chiarelli
14th Ward Alderman
