ARTERIAL / RESIDENTIAL SALTING OPERATION

ROCKFORD –December 20, 2013 – The City of Rockford Public Works Department continues salting Arterial and Residential Routes at this time. Crews have been salting City of Rockford streets since 9:00 PM, December 19, 2013, and will continue during the daylight hours today.

City of Rockford recommends drivers use extreme caution while driving due to the freezing rain conditions.

Decisions about further deployment will be made, as needed, according to developing conditions.

Citizens are urged to follow at a safe distance behind snowplows. This will prevent the salt that is being spread from hitting your vehicle and the added distance also allows a driver room to back up if needed.
