Partial Concourse Parking Deck Closure

ROCKFORD – Effective June 11, 2013.

Starting Thursday, June 11, 2015, the City of Rockford will be closing approximately ninety (90) additional parking spaces in the Church Street South Parking deck. The Church Street South Deck is located at the intersection of Church Street and Chestnut Street across from the BMO Harris Bank Center. The additional closure will include the down ramp from the third (3rd) floor to the second (2nd) floor. There will be a change in traffic patterns with the down traffic from the 3rd floor now being on the same ramp (head to head) with the up traffic from the 2nd floor. Signs will be posted and striping provided. Visitor using the deck are asked to exercise caution when driving in the deck due to the new traffic pattern. Your patience and cooperation during this process is appreciated.

Questions regarding the project should be directed to Jeremy Carter at the Public Works Department. Thank you for your consideration.
