INFORMATION RELEASE

On Wednesday February 4, 2015 at 6:56 a.m., Rockford Police District 2 Officers responded to several reports of a man down in the 500 block of College Avenue. Upon arrival, they found a 62 year old Rockford man face down and unconscious with an apparent head wound. At the time, the mechanism of injury was unknown. Officers initiated CPR and called for the Rockford Fire Department. The Fire Department responded to the scene and transported the man to a local hospital where he later died. The Winnebago County Coroner's Office conducted a late morning autopsy and determined the cause of death was a cardiac event and the decedent had no other signs of trauma.
