ARTERIAL SALT OPERATION ENDS

ROCKFORD –December 16, 2013 – The City of Rockford public works department will complete its arterial salting operation as of 10:00 PM today. Individual salting requests can be made by calling 815-987-5771.

Decisions about further deployment will be made, as needed, according to developing conditions.

Citizens are urged to follow at a safe distance behind snowplows. This will prevent the salt that is being spread from hitting your vehicle and the added distance also allows a driver room to back up if needed.
