### **END ARTERIAL SALTING & PLOWING OPERATION**

ROCKFORD –The City of Rockford Public Works Department completed salting and plowing the Arterial Routes as of 8:45 AM, March 1, 2014. Any streets needing additional attention will be addressed on an individual basis.

Decisions about further deployment will be made, as needed, according to developing conditions.

Citizens are urged to follow at a safe distance behind snowplows. This will prevent the salt that is being spread from hitting your vehicle and the added distance also allows a driver room to back up if needed.
