## Narrative:

The Rockford Fire Department was dispatched to the address listed above for a reported structure fire at approximately 05:08 a.m. on August 10, 2013. The first unit arrived on-scene within 3 minutes to find a fully involved two story residential structure. Rockford Fire personnel operated in a defensive mode due to the threat of a collapse of the second floor. The home has been determined to be a total loss. The City of Rockford Construction and Development Services Division assisted with structural assessment and due to the danger posed, a determination to demolish the building was made. The cause of this fire is undetermined, but remains under investigation. This was an occupied home and all residents have been accounted for.
