Narrative

On October 4th at 1:37 PM, Rockford Fire Department was dispatched to a house fire on Alliance Avenue. Within 4 minutes, the first fire engine arrived to find fire and heavy smoke in the rear, kitchen area of the single family home. As additional units arrived, the fire was quickly extinguished and the building was searched. No one was at home at the time of the fire. While searching for occupants, firefighters located 3 house pets and removed them from the home, but they died as a result of smoke inhalation. The cause of the fire was accidental in nature and no further investigation is planned.
