The Rockford Fire Dept was called to a 2 family home shortly after midnight to house fire. Upon arrival they found flames coming from a first floor bedroom window. Both families had exited the home prior to the Fire Dept arrival. The flames were contained to the room of origin and the front porch of the home. Both families were displaced and Fire Investigator condemned the property. There were no firefighter or civilian injuries.

The upstairs occupant was alerted to the fire by the smoke detector. She at that time alert her downstairs neighbors by banging on the door. They were a sleep at the time in the room where the fire had broke out. He and his baby made it out safely.
