## Narrative:

The Rockford Fire Department was dispatched to the address listed above for church fire. Upon arrival, Engine 1 found smoke showing from the roof of the kitchen area of this church. Three attack lines were laid to fight this fire in frigid temperatures. Engine 8 secured a water supply and Quint 1 raised their aerial to the roof for better access. A second alarm was called for extra help because of the temperatures and the amount of overhaul necessary. The fire was started by a using a torch to thaw a frozen water pipe. The damage is estimated at \$50,000.00. The fire was accidental and no one was injured.
