## Narrative

The Rockford Fire Department responded to a smoke investigation early this morning. The first unit arrived in the area within 5 minutes to find heavy smoke and fire coming through the roof of very large commercial structure. The first company on scene immediately requested additional units, and began both ground and aerial operations. After several hours, firefighters were able to bring the fire under control without incident. However, crews are still on scene performing overhaul operations. Damages are estimated to be upwards of \$650,000. The cause is still under investigation.
