Narrative

The Rockford Fire Department responded to a reported house fire at the intersection of 8th St. and 21st Ave. The first arriving fire company found fire showing from the second floor of the two story wood frame house at the 2127 8th St. address. Fire crews evacuated two occupants from the first floor apartment and attacked the fire in the second floor.

Neither of the two occupants of the building at the time of the fire were injured, nor were any of the several family dogs.

The fire did extensive damage to the second floor and roof of the building. The two occupants of the first floor apartment arranged to stay with family members. The second floor apartment was unoccupied.

The fire was brought under control within 23 minutes of the arrival of fire crews. An investigation was conducted but has not yet determined the cause of the fire.

Fire Department personnel were on scene for nearly 3 hours to complete overhaul and clean-up operations.
