Narrative

General alarm dispatched for possible apartment fire. First arriving company reported heavy fire from the rear of the building with flames showing and that they are deploying an attack line. The fire had extended to the 3rd floor and back-up line also used to bring fire under control. Additional duties performed by companies included search of all three floors, ventilation, water supply, and overhaul. Fire damage contained to two apartments with smoke damage throughout the eleven family apartment building. There were no injuries and the cause is accidental.
