## Narrative

The Rockford Fire Department responded to a possible structure fire early this morning. The first company arrived on scene in approximately two minutes to find a residential structure with heavy fire showing on all sides and extension to the two adjacent homes. The house was reported to be vacant. The fire department quickly deployed lines to extinguish the fire and protect the adjacent properties. Two occupants exited one of the adjacent structures prior to the fire department's arrival. There were no injuries to occupants or fire department personnel. The cause is still under investigation, with damages estimated to be \$70,000.
