Narrative

The Rockford Fire Department responded to an attached garage fire call late last night. The first unit arrived on scene to find the garage and second story of the home engulfed in flames. Fire crews determined that all of the occupants were out of the building, and the fire was extinguished without incident. The heat from the fire also caused damage to the homes on either side of the structure and a car located in the driveway. One occupant was transported to the hospital. The Red Cross responded as the fire displaced six people and two dogs. Damages to all three homes and the vehicle are estimated to be \$95,000 with the cause still under investigation.
