Narrative

The Rockford Fire Department responded to a possible structure fire early this morning. The first unit arrived on scene within approximately 3:20 to find a fully involved residential structure fire with extension to an adjacent residence. Although the residence was reported to be vacant, the adjacent structure was occupied at the time of the fire. RFD personnel deployed lines to extinguish the fire and protect the adjacent property. There were no reported firefighter and/or civilian injuries. The Red Cross assisted with relocating one displaced occupant. The cause is still under investigation, with the total damages estimated to be \$45,000.
