STREET CLOSURES FOR HERITAGE RUN 2014

Rockford, IL – The 29th Annual OSF Heritage Run will be held on Sunday, April 27th, 2014 in downtown Rockford, beginning at 1:00 p.m. Traffic will be impacted as follows:

- The OSF Heritage Run will begin and end on Wyman Street near Elm Street, will proceed north on Wyman, north with a lane closure only on Main, go northeast on Harlem, onto the bike path, into Loves Park, back down the bike path and on to Madison and south to State and west to Wyman, Street closures will begin one hour before the run and smaller streets that intersect the route will also be closed during that time period.
- Police traffic control on arterials such as Jefferson and Whitman Streets will allow traffic to cross periodically, but traffic is urged to find alternate routes.

Local traffic will be permitted as possible, though cars may be asked to wait a short period of time while runners clear the streets. Neighbors are urged to try and avoid activities which will require entry and exit via the route. Organizers have asked motorists to reduce speed and watch for runners, and appreciate everyone's patience and cooperation.

For event information, please contact event organizer Tabatha Endres-Cruz at 815-505-7079. For specific road closure information, contact Kelly Nokes, 815-967-6915.
