1000 Block 1st Ave
Emergency water service repair

ROCKFORD – Beginning Friday January 2, the Water Division will be making an emergency water service repair at the 1000 block of 1st Ave. Eastbound traffic from 6th St – 7th St will be reduced to one lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to two - four business (2-4) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
