2600 Block of E State St
Emergency Water Service Repair

ROCKFORD – Beginning Wednesday October 12, the Water Division will be making an emergency water service repair in the 2600 block of E State St. E State St will be reduced to one lane to traffic heading westbound between Hunter Ave and James Ave.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three (1-3) business day.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7153.
