1400 Block Auburn St
Water service repair

ROCKFORD – Beginning Wednesday January 27, the Water Division will be repairing the water service at 1425 Auburn St. Auburn St will be reduced to one lane westbound from Latham St to N Church St.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
