400 Block Auburn St
Emergency water main repair

ROCKFORD – Beginning Monday May 11, the Water Division will be making an emergency water main repair at the 400 block of Auburn St & Harlem Blvd. Traffic on Auburn St will be reduced to one lane each direction. Harlem Blvd will be closed off tight to eastbound traffic turning left.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five business (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
