300 Block Auburn St
Emergency water main repair

ROCKFORD – Beginning Tuesday May 12, the Water Division will be making an emergency water main repair at the 300 block of Auburn St & Harlem Blvd. Auburn St will be closed tight to all traffic from Cumberland St to Harlem Blvd. Traffic heading westbound on Auburn St will be detoured to Harlem Blvd to Fulton Ave to N Main St. Eastbound traffic will be detoured on to N Main St to Riverside Blvd.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
