1700 Block Auburn St
Service Repair

ROCKFORD – Beginning Tuesday November 18, the Water Division will be repairing the water service at 1710 Auburn St. Traffic heading east bound will be reduced to one lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
