**3900 Block Broadway
Water Manhole Repair**

ROCKFORD – Beginning Tuesday May 24, the Water Division will be making repairs to the water manholes in the 3900 block of Broadway. Broadway will be reduced to one lane between Point Ave and Remington Rd to traffic heading eastbound.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to two (1-2) business days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
