***2300 Block Broadway***  
***Service Repair***

ROCKFORD – Beginning Wednesday November 19, the Water Division will be repairing the water service at 2303 Broadway. Traffic heading east bound will be reduced to one lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
