**4100 Block Charles St
New water service**

ROCKFORD – Beginning Monday January 5, the Water Division will be installing a new water service at 4105 Charles St. Eastbound traffic will be diverted to the westbound lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five business (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
