**2800 Block Charles St  
Water service repair**

ROCKFORD – Beginning Thursday February 5, the Water Division will be repairing the water service at 2820 Charles St. Traffic heading westbound on Charles St will be reduced to one lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one-three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
