Lane Closing

Charles Street

At St. Louis Avenue

Beginning Friday, December 5, 2014, The Rock River Water Reclamation District will be closing the north side west bound lane on Charles Street from 50' East of St. Louis Avenue to 25' West of St. Louis Avenue, for Sewer Repair. Beginning on Monday, December 8, 2014 traffic will be unable to proceed through this intersection until work is complete. The work is expected to be completed by December 11, 2014 weather permitting.

Traffic control measures will be provided and motorists are advised to use caution while driving near the work zone.

If you have any questions concerning this project, please contact the Rock River Water Reclamation District at 815-387-7601, Monday through Friday between the hours of 7:00 am & 4:30 pm.
