1300 Block E State St
Emergency water service repair

ROCKFORD – Beginning Tuesday August 4, the Water Division will be making an emergency water service repair in the 1300 block of E State St. Traffic heading eastbound will be reduced to one lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
