1000 Block Kilburn Ave
Emergency water main repair

ROCKFORD – Beginning Monday September 28, the Water Division will be repairing the water main in the 1000 block of Kilburn Ave. Traffic will be reduced to one lane each direction.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to two to four business (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
