400 Block Kishwaukee St
Emergency hydrant replacement

ROCKFORD – Beginning Thursday April 7, the Water Division will be replacing the fire hydrant at 411 Kishwaukee St. Kishwaukee St will be reduced to one lane to traffic heading southbound.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to two to four business (2-4) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
