800 Block Kishwaukee St
Emergency water service repair

ROCKFORD – Beginning Thursday September 24, the Water Division will be repairing the water service at 815 Kishwaukee St. Traffic will be reduced to one lane each direction.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
