1600 N Alpine Rd
Emergency water service repair

ROCKFORD – Beginning Wednesday April 20, the Water Division will be making an emergency water service in the 1600 block of N Alpine Rd. N Alpine Rd will be reduced to one lane southbound.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to one to three business (1-3) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
