***900 Block N Church St***  
***Emergency water service repair***

ROCKFORD – Beginning Thursday September 3, the Water Division will be repairing a water service in the 900 block of N Church St. N Church St will be reduced to two lanes beginning at Napoleon St.

Proper traffic controls and detour will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to five to seven (5-7) business days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
