600 Block N Madison St
Emergency Water Main Repair

ROCKFORD – Beginning Tuesday December 9, the Water Division will be making an emergency main repair at 602 N Madison St. Traffic heading northbound will be closed tight.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five business (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
