**900 Block N Main St
Hydrant replacement**

ROCKFORD – Beginning Thursday March 10, the Water Division will be replacing the fire hydrant at 902 N Main St. Main St will be reduced to two lanes northbound.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three to five business (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 779-348-7359.
