***3505 N Main St*
*New water service***

ROCKFORD – Beginning Tuesday November 4, the water division will be installing a new water service at 3505 N Main St. South bound traffic will be diverted into the north bound lanes.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to three-five (3-5) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
