N Mulford Rd & Strathmoor Dr
Hydrant Replacement

ROCKFORD – Beginning Thursday November 6, the water division will be replacing the hydrant at the northwest corner of Mulford Rd and Strathmoor Dr. Traffic heading south bound will be reduced to one lane.

Proper traffic controls will be in place, and citizens are encouraged to use an alternate route. The driving public is to use extreme caution when near work zone.

Work is expected to last up to two - four business (2-4) days.

Any questions should be referred to Public Works, Water Maintenance Division at 815-987-5729.
